

# 2018 SCHOOL BOARD SURVEY

## The Onslow Protect Our Students Political Action Committee

is a group of concerned citizens with a mission to advocate for Sexual Risk Avoidance (SRA) education to prevent teen pregnancy, and reduce sexually transmitted diseases. We seek to elect Onslow County School Board members that will protect our children and families' moral values from the harm caused by teaching the Comprehensive Sexuality Education (CSE) as advocated by Planned Parenthood, SHIFT NC, and other groups in North Carolina. To assist voters in identifying School Board candidates who will defend our children from the harm of CSE, Onslow Protect Our Students (PAC) is conducting this Survey. Thank you for taking the time to respond and consider carefully each issue.
