PCHC Structure and Goals

- Family Watch International (FamilyWatch.org)
 - Protect Child Health (ProtectChildHealth.org) is **Public – Share it!**
 - Protect Child Health Coalition (PCHC) is **Private – Don't share it!**
- Family Watch provides much needed leadership & infrastructure
- Goal of PCHC
 - To develop strategies, effective messaging, and short term/long term plan for fighting **CSE** at the national, state, and local level.
 - To **network** with and learn from others fighting **CSE** across our nation.
 - To strengthen the state efforts of individuals and groups to fight **CSE**

PCHC Members & Communications

- Members must agree & comply with stated goals
- Security Policies
 - Don't share emails, info, or directories with non-members
 - Don't speak for PCHC
- PCHC Google Group
 - PCHC Leaders are concerned about security
 - Human error is biggest concern
- Subject lines – What is the connection to fighting CSE?
- Don't Reply All!

Questions and Comments?

- **How has PCHC helped you in your work?**
- **What can you do to grow the PCHC?**
- **How can you help PCHC function better?**
