

FOCUS AND GOALS

To amplify the voices of informed young people

Goals:

Young Voices from all walks of life will:

- Create, plan, execute a “young voices” summit
- Include youth voices from different races, cultures, and religions
- Present every presentation and workshop
- Provide training on how to approach and succeed at sharing truths about family, sanctity of life and healthy sexuality among peers
- Arm participants with RESOURCES

Themes:

- Learn to create, organize and amplify the voice of truth in societal dialogue through multifaceted strategies
- Create ways to spread truth among societal falsehoods.
- Focus on “Character Advocacy” to set a higher standard of advocacy that better represents their value system and who they are
- Build bridges of understanding among generations, family and friends
- Bring dignity, civility and mutual respect back to civic dialogue
- Address anxiety/depression, core identity, life and family
- Connect generations and work together

Help the youth succeed!

Concept Note

Funds and Resources for the Young Voices Summit

I. Background

Young Voices aims to create, plan and execute a summit that:

- Hosts a diverse range of youth voices from various races, cultures, and religions.
- Provides training on expressing truths about family, the sanctity of life, and healthy sexuality among peers.
- Equips participants with valuable resources.
- Emphasizes positive "Character Advocacy" to elevate standards of communication.

II. Objectives

Recognizing that many young people, including college students and those starting out in work and family life, face financial constraints, the summit seeks support from established organizations and individuals to:

- Reduce the registration fee from \$200-\$300 to \$25-\$40.
- Raise funds to cover venue and meal expenses.

III. Activities

To achieve these objectives, the following activities will be undertaken:

- **Non-Financial Support:**
 - Collaborate with a graphic artist pro-bono or discounted price to design a professional website.
 - Collaborate with a graphic artist pro-bono or at a discounted price to design a professional fundraising flyer and website.
- **Audio-Visual and Technical Support:**
 - Collaborate with AV Tech pro-bono or at a discounted price.
 - Seek AV rental at a discounted price or as a donation.
- **Printing and Materials:**
 - Collaborate with a printing office at a discounted price or as a donation to print needed materials.
- **Gifts and Giveaways:**
 - Solicit donations for gift bags.
- **Video Production:**
 - Collaborate with a videographer for a discounted price or pro-bono services.
- **Solicitation Efforts:**
 - Reach out to family and friends for contributions.
 - Engage with wider networks to solicit donations and attract sponsors.

IV. Budget Estimate (based on 150 participants)

- Venue: \$5000 - \$8000
- Meals: \$6000 (2 meals at \$25)
- Audio-Visual Equipment (for one day): \$450
- Materials: \$200

Total Highest Estimated Budget: \$14,650

V. Timeline

- **Starting Date:** April 19, 2024
- **Ending Date:** October 1, 2024

This concept note outlines the goals, activities, and budget for the Young Voices Summit, emphasizing the need for financial support to ensure the summit's success and accessibility to a diverse group of young participants.
